Pledge to Travel Green

United States Travel Care Code

1. **Learn about Your Destination** – Enjoy a rewarding experience by learning more about the natural environment, culture and history that make every destination unique.

2. **Don’t Leave Your Good Habits at Home** – While traveling, continue to recycle; use water wisely, and turn off lights as you would at home.

3. **Be a Fuel-Efficient Traveler** – Book direct flights, rent smaller cars, and keep your own vehicle operating at maximum efficiency. Once in your destination, walk or bike as much as possible.

4. **Make Informed Decisions** – Seek out destinations or companies that engage in energy efficiency or recycling programs and that take actions to preserve their communities and natural environment.

5. **Be a Good Guest** – Remember that you are a guest in your destination. Engage with locals, but respect their privacy, traditions and local community.

6. **Support Locals** – As a visitor, the money you spend on your trip can help support the local artisans, farmers and business owners whose livelihoods depend on tourism.

7. **Dispose of Your Waste Properly** – Leave a beautiful place for others to enjoy. Recycle where possible, and always dispose of your waste with care.

8. **Protect Your Natural Surroundings** – Be mindful of the plants, animals and ecosystems that you impact. Avoid feeding wildlife; stay on designated trails, and strictly follow all fire restrictions.

9. **Make Your Travel Zero Emissions** – As an additional step, consider the option of purchasing carbon credits to fully offset your travel’s impact on climate change.

10. **Bring Your Experiences Home** – Continue practicing your sustainable habits at home, and encourage friends and family to travel with the same care.
